48. TAXES

As a New Jersey governmental entity, the Board of Education is exempt from the requirements under New Jersey state sales and use tax (N.J.S.A. 54:32B-1 et seq.), and does not pay any sales or use taxes. Bidders should note that they are expected to comply with the provisions of said statute and the rules and regulations promulgated thereto to qualify them for examinations and reference to any and all labor, services, materials and supplies furnished to the Board of Education. Contractors may not use the Board's tax exempt status to purchase supplies, materials, service or equipment.

A contractor may qualify for a New Jersey Sales Tax Exemption on the purchase of materials, supplies and services when these purchases are used exclusively to fulfill the terms and conditions of the contract with the Board of Education. All contractors are referred to New Jersey Division of Taxation–Tax Bulletin S&U-3 for guidance. Again, contractors are not permitted to use the Board's tax identification number to purchase supplies, materials, services of equipment.

49. TERMINATION OF CONTRACT

If the Board determines that the contractor has failed to comply with the terms and conditions of the bid and/or proposal upon which the issuance of the contract is based or that the contractor has failed to perform said service, duties and or responsibilities in a timely, proper, professional and/or efficient

manner, then the Board shall have the authority to terminate the contract upon written notice setting forth the reason for termination and effective date of termination.

Termination by the Board of the contract does not absolve the contractor from potential liability for damages caused the District by the contractor's breach of this agreement. The Board may withhold payment due the contractor and apply same towards damages once established. The Board will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

The contractor further agrees to indemnify and hold the District harmless from any liability to subcontractors or suppliers concerning work performed or goods provided arising out of the lawful termination of this agreement. The contract may be terminated by the board for convenience without any liability or penalty to the board except that the contractor shall be paid for services that are rendered prior to the date of termination, excluding loss of profits, loss of business advantage, compensatory or consequential damages.

50. WITHDRAWAL OF BIDS

Before The Bid Opening

The Assistant School Business Administrator/Board Secretary may consider a written request from a bidder to withdraw a bid if the written request is received by the Assistant School Business Administrator/Board Secretary before the advertised time of the bid opening. Any bidder who has been granted permission by the Assistant School Business Administrator/Board Secretary to have his/her bid withdrawn cannot re-submit a bid for the same advertised bid project. That bidder shall also be disqualified from future bidding on the same project if the project is re-bid.

After The Bid Opening

The Board of Education may consider a written request from a bidder to withdraw a bid, if the written request is received by the Assistant School Business Administrator/Board Secretary within five (5) business days after the bid opening. A request to withdraw a bid after the specified number of days will not be honored. The contractor/vendor who wishes to withdraw a bid must provide a certification supported by written factual evidence that an error or omission was made by the contractor and that the error or omission was a substantial computational error or an unintentional omission or both.

The request to withdraw a bid after the bid opening may be reviewed by the Assistant School Business Administrator/Board Secretary, the Director of Facilities, other interested administrators; and the Architect of Record for the project (if necessary) and/or the Board Attorney and a recommendation will be made to the Board of Education. If the Board of Education grants permission to have the bid withdrawn the contractor/vendor shall be disqualified from bidding on the same project if the project is re-bid. If the contractor/vendor fails to meet the burden of proof to have the bid withdrawn the request to withdraw the bid will be denied and if the contractor/vendor fails to execute the contract the bid guarantee will be forfeited and become property of the Board of Education.

TECHNICAL SPECIFICATIONS

Mr. Kevin Campbell
Assistant School Business Administrator/Board Secretary

Section 1 - General Instructions to Contractors

A. Pre-Bid Conference and Tour: All interested Contractors should attend the pre-proposal conference and tour to be held on **Tuesday, November 28, 2023 @ 11:00 a.m.** at the Board Office, Administration Building 200 Ramsey Avenue, Lakewood, NJ 08701. No other tour/walk-through will be permitted. Contractors are limited to two representatives attending tour. Attendance is not mandatory, but is strongly recommended. Failure to attend does not relieve the bidder of any obligations or requirements with respect to the proposal and/or the Project. Prior to and after the pre-proposal conference, no oral interpretation will be made to any company regarding the meaning of the specifications. Questions must be submitted in writing before **Wednesday, November 29, 2023 by 12:00pm** to the Business Administrator and or Purchasing Agent. Answers requiring an addendum will be sent by certified mail and/or sent by certified facsimile transmission or by email that provides certification of delivery to the sender to each Contractor and will be on file in the Office of the Business Administrator and will be advertised no later than seven (7) business days prior to the date of proposal opening. A tour of all buildings will immediately follow the conclusion of the pre-proposal conference.

B. Survey/Inspection of Facilities: It is the Contractor's responsibility to become fully informed as to the nature and extent of the scope of work required and its relation to the school environment and its activities. Arrangements for Contractor's inspection of buildings and/or activity schedules will be held immediately following the pre-proposal conference. No other tour/walk-through will be permitted. Each Contractor at their expense should visit the sites and become familiarized with the scope of work required, verify all dimensions and existing conditions.

The Contractor and/or its employees will comply with and do the following:

1. Employees of the successful Contractor must be thoroughly trained, qualified, and capable of performing the work assigned to them.
2. Uniforms: All employees will wear suitable uniforms and slip resistant soled shoes during the working period, and will carry proper identification.
3. Comply with all applicable Federal and State laws, rules and regulations, including, but not limited to, wages and hours of employment requirements. Become familiar with and comply with Board of Education policy.
4. All new Contractor employees must have have their fingerprints taken by MorphoTrust, application completed and have the state approved background clearance prior to beginning employment. This must be maintained on-site in the employee's personnel file and copies provided to the District and or its representative. Failure to provide this documentation prior to the employee's first day of work may result in termination of this contract.

The initial staff must have state background clearance approval or archival to the District at the start of the contract. Failure to comply with the specifications herein will cause the Contractor's proposal to be non-responsive and a cause for rejection of the proposal.

C. Organization and Reporting Relationships: The Contractor will report to the Buildings & Grounds Facilities Manager or other designee as determined by the District, as the Contract Administrator for daily administration.

D. Detailed Required Work Shifts: The cleaning of the offsite classroom trailers must begin after 5:00pm and be completed before 9:00pm.

E. Services, Equipment and Other Items Provided by the Contractor: The Contractor must provide all transportation, uniforms, equipment, supplies and any other needed item to provide the services as detailed in Scope of Work in their pricing. Not doing so will cause the Contractor's proposal to be materially defective and cause for rejection.

F. District Provided Equipment and Supplies: The District will not provide any equipment or supplies

G. Qualifications and Requirements for Being a Responsive Contractor: The following evidence of qualification/eligibility must be submitted (not doing so or not meeting these requirements may cause the Contractor's bid to be non-responsive and thereby not a responsive proposer):

1. Evidence that the Contractor possesses the correct certifications and licenses by the appropriate government agencies to perform the work specified.
2. Evidence the Contractor has and can provide the training programs, management systems, programs, and procedures that meet the requirements and Scope of Work in this RFB.
3. The Contractor must have a positive record of successful management experience in providing custodial, services to five commercial or education clients equal to or greater in size than the Lakewood's School District off site classroom trailers.

H. Sub-Contracting: The contractor must be fully capable of performing the scope of work and services within its own resources and may not assign, transfer, or sublet the contract or any portion thereof without the written consent of the District. Sub-contracting any other part/portion of this contract, without District permission to do so, will be considered a breach of the contract and could result in termination thereof at the sole discretion of the District.

I. The Contract and Its Award: The District will calculate price based upon the aggregate total of the first two years of the contract. Award will be made on an "All-or-None Offer, Total Offer"

basis. Any contract awarded pursuant to this Request for Bids will be awarded to single Contractor or to none at all. Award will be made to the lowest responsible Contractor. The District will consider whether the Contractor's bid complies with all the requirements in this RFB. There is no obligation on the part of the District to award a contract. The District may cancel this RFB, reject bids or any portion thereof at any time prior to an award, for any of the reasons set forth in N.J.S.A 18A:18A-22.

This bid and the Contractor's bid response will be made part of the final contract. Should there be a conflict the order of precedence will be the contract, the RFB, and last the Contractor's bid response.

1. **Term of Contract:** The contract will be for a term of two (2) years, with an option for three (3) one (1) year extensions (not more than a total of 5 years) at the School Board's sole discretion pursuant to N.J.S.A 18:A18A-42. Extensions are subject to the availability and appropriation annually of sufficient funds by the Board of Education. **The contract will commence on January 1, 2024 and continue until December 31, 2025**, unless terminated for cause or convenience.
2. **Dispute Resolution:** Any and all claims, disputes or other matters in question between the Board and Contractor arising out of or relating to this Agreement or alleged breach thereof, shall be subject to and determined by a court of competent jurisdiction venued in Ocean County, New Jersey. Each party waives and agrees not to assert any defense that the court lacks jurisdiction, venue is improper, inconvenient forum or otherwise. The Contractor hereby irrevocably waives its rights to trial by jury in any action arising out of or relating to this Agreement. This waiver does not apply to personal injury actions or to any action in which another party, not bound by such a waiver, demands trial by jury. This waiver is knowingly, intentionally and voluntarily made by Contractor.
If a dispute arises between the Board and any entity or individual to whom the Board is bound to the arbitration of such disputes, then the Contractor agrees that the Contractor can be joined as a party to such arbitration with respect to matters related to that arbitration. All disputes, which exist only between the Board and the Contractor, or among the Board, the Contractor and others as to which the Board is not bound to the arbitration of disputes, shall be subject to the provisions of this section.
3. **Contract Increases/Decreases:** Should the District decide to renew after the initial term in years three, four, and five the increase will be based on the NJ Index Rate. The increase will not exceed the change in the Index Rate for the twelve (12) months preceding the most recent quarterly calculation available at the time the contract is renewed. In the event that the District were to add or decrease square footage, staff or supervisory responsibilities, any additional increase or decrease in staffing, equipment and supplies costs the contract price will be adjusted (increased or

decreased) based upon the costs and percentages for benefits, payroll taxes, management fees, equipment and supplies as submitted in Bid Form A with full consideration being given to the level of service and scope of work required by the District.

4. **Governing Law:** The Agreement shall be governed by and in accordance with the laws of the State of New Jersey, without references to any choice of law or conflicts of law's provisions therein.
5. **Assignment:** The rights of the Board or Contractor under the Agreement are personal to each party, and neither party shall assign, transfer, hypothecate or otherwise assign its rights or delegate its duties or monies to come due under the Agreement, whether voluntarily, involuntarily or by operation of law, without the prior written consent of the other party to the Agreement.
6. **Independent Contractor:** Contractor is and shall perform its services under the Agreement as an independent contractor and not as the Board's agent, partner or joint venture. Contractor is employed to render the services only, as specified in the Agreement, and any payments made by the Board are compensation solely for such services rendered.
7. **Termination Clause:** The following language will be incorporated in the contract:
Termination for Cause: If either party fails to comply with any of the obligations required of it in this contract and, following receipt of written notice specifying the failure, fails to remedy and cure such failure within fifteen days (15), the non-breaching party will have the right to terminate the contract immediately upon giving an additional thirty (30) days prior written notice of intention to terminate the contract.

Termination for Convenience: Any time after one (1) year of commencement of the contract, either party may terminate this Agreement upon giving ninety (90) days' prior written notice to the other party.

Notwithstanding the above, the successful Contractor will not be relieved of liability to the District for damages sustained by the District by virtue of any breach of the Contract by the Contractor and the District may withhold any payments to the Contractor for the purpose of compensation until such time as the exact amount of the damages due the District from the Contractor is determined to the extent permitted by law.

Cancellation, Renewal and Modification - The Firm shall maintain in effect all insurance coverages required under this Agreement at the Firm's sole expense. In the event the Firm fails to obtain or maintain any insurance coverage required under this Agreement the District may, at its

sole discretion, purchase such coverage as desired for the District' benefit and charge the expense to the Firm, or, in the alternative, terminate this Agreement.

Continuation of Coverage - The Firm shall continue to carry Completed Operations liability Insurance for at least three years after either ninety-(90) days following Substantial Completion of the Work or final payment to the Firm, whichever is later. The Firm shall furnish the District evidence of such insurance at final payment and in each successive year during which the insurance coverage must remain in effect.

Indemnification Language: The following language will be incorporated into the contract: The Contractor agrees to indemnify, save and hold harmless the Board of Education, its departments, agencies, board, officers, officials, agents, servants, administrators, employees and indemnified parties from and against any and all claims, demands, suits, damages, liability costs and expenses, including reasonable attorney's fees arising out of or resulting from or in any way related to the Contractor's performance of this Agreement including, but not limited to any personal injury or property damage, resulting from negligent acts or omissions, whether intentional or unintentional or willful misconduct on the part of the Contractor, the Contractor's agents, servants or subcontractors in the delivery of goods and services, or in the performance of the work under the contract whether such liability is direct or vicarious. Contractor further agrees to indemnify any and all indemnified parties for their own negligence, regardless of whether such negligence is responsible wholly or in part for the damages suffered or in the case of lawful termination of the contract by the District. The District may defend itself at the Contractor's expense from any claim or lawsuit whatsoever that may arise as described in this paragraph or the District may elect to have the Contractor provide the District with a defense at the Contractor's expense. This provision shall be construed as broadly in favor of indemnification as permitted by New Jersey law and shall survive termination of this Agreement.

J. OSHA, AHERA, Blood borne Pathogens, HIB (Harassment, Intimidation & Bulling), and Hazardous Communication Act Regulations: It is the responsibility of the Contractor to insure that all AHERA, OSHA, Blood borne Pathogens, HIB (Harassment, Intimidation & Bulling) and Right to Know regulations applying to this contract are adhered to at all times.

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

APPENDIX A
AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the Board of Education (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement.
