Procedural

Pursuant to Board Policy 0164, Roberts' Rules of Order shall govern the Board of Education in its deliberations and in the conduct of its meetings. As such, all comments from the public and from other members of the Board should be directed to the Board President who is responsible for presiding over the meeting.

Public comments can be made at 7:00 p.m.

The President shall direct all inquiries or comments to the appropriate Administrator or Board member for response, as appropriate. The law requires a period of public comment at our meetings, not a question or answer session or debate. The board president at his discretion may or may not feel it is appropriate to answer questions raised during the public comment period. The board and administration do take all public comments seriously and consider them when conducting business.

The President may interrupt, warn, or terminate a participant's statement when the statement is too lengthy, abusive or obscene. In addition, Security Personnel may direct any individual to leave the meeting when that person does not observe reasonable decorum, whether the person is at the microphone or at any other place in the meeting room. New Jersey law makes it a crime for any person to intentionally disrupt a public meeting. Law enforcement will be contacted if a person disrupts the meeting and fails to desist after being directed to do so.

Finally, we ask that you silence all electronic devices.

T. Approve the Corrective Action Plan for the Department of Agriculture Resource Management Comprehensive Review as of June 30, 2022.

Finding: Net Cash Resources exceeded three month average expenditures which represents incompliance per USDA CFR 210.14

CAP: Since the time of this review the district has completed some of the following and continues to address the excess net cash resources:

- 1. Replacement of the Lakewood Middle School Serving Line at a cost of \$426,025.72 (2022-2023).
- 2. Expansion of the Lakewood Middle School Cafeteria resulting in the need for additional cafeteria furniture at a cost of \$162,442.50 (2022-2023)
- 3. The District is in the process of replacing the Lakewood High School Serving Line at a cost of \$695,709.46 (2023-2024)
- 4. The District plans to replace the serving lines in other schools that are in need.
- 5. As a CEP District we are in a new group cycle for 2024. Our ISP rate has significantly decreased causing our free meals reimbursement percentage rate to change from 99.17% for 2023 to 64.24% for 2024. As a result the district will need to use the excess resources to cover the costs of the food service program going forward. (No Cost to the District)
- 6. Mr. Kevin Campbell/Assistant Business Administrator/Board Secretary is the person responsible for the implementation of this Corrective Action Plan.
- 7. This CAP began in the 2022-2023 school year and continues in the 2023-2024 school year.
- U. Whereas, the 2023-2024 Food Service CEP calculation has yielded an ISP rate of \$64.24% free meal reimbursements due to the decline in directly certified students; and

Whereas, the district has committed to the CEP program for the 2023/2024 school year to provide free meals to all students as opposed to having students submit lunch forms; and

Whereas the Food Service Fund has excess net cash resources available from previous years which must be spent down as part of the RMCR corrective action plan;

Therefore, Be it Resolved that the district will continue to provide Free Meals to all students for the 2023/2024 school year by supplementing the cost of the program with these excess food service funds which has no impact on the general fund budget; and

Be It Further Resolved that the district will address the decline in directly certified student rates to decide if the CEP program is a viable option for the district for the 2024/2025 school year.

- V. Approve Shoop SBA, LLC to provide Procurement Consulting Services for the 2023/2024 school year at the following costs not to exceed \$5,000: (11-000-251-340-00-0000)
 - \$150.00 per hour
 - \$.47 per mile plus tolls

- Presentation Fee In-Person \$895.00
- Presentation Fee Virtual \$795.00
- W. Approve Change Order #003 for the Lakewood Middle School Cafeteria Expansion and Renovation project from Santorini Construction to provide a new underground sewer line to the building. The contract sum will be increased by this change order in the amount of \$1,611.37. (Correction to August 9, 2023 agenda).
